(“seeking knowledge in the woods and place of water”)
2018 Summer Youth Camp
July 30th-August 3rd, 2018

Looking to gain some skills in the field of natural resource management, and seeking some hands-on experience in active fish and wildlife programs? Join the 1854 Treaty Authority for a tribal summer youth camp in northeastern Minnesota!

This week-long camp is designed to provide Native American students an opportunity to gain hands-on experience in the field of natural resource management, and encourage the pursuit of related college majors and careers. Participants will spend time in classroom sessions, field trips, recreational events, and have the opportunity to work alongside professionals in real-life fish and game monitoring and survey activities.

The summer youth camp is open to incoming 10-12th grade high school students affiliated with a tribe in Minnesota, Michigan and/or Wisconsin, who are interested in the protection, preservation and enhancement of natural resources. Students must be in good physical condition as physical activities are a part of the camp. Parents/guardians are responsible for selected participants’ transportation to and from the 1854 Treaty Authority Office in Duluth, Minnesota on travel days: Monday July 30th and Friday August 3rd, 2018.

To be considered, individuals interested in participating must submit:

- ✓ Participant Application
- ✓ Composition Essay
- ✓ Participant Contract
- ✓ Parent/Guardian information form
- ✓ Parent Contract

Find these application materials on the 1854 Treaty Authority website:

www.1854treatyauthority.org

Applications are due: May 21st, 2018
(only complete applications will be considered)
