

Corrine Taken Care Of journeyed to the spirit world on July 24. The mother of seven young children was 30 years old. Corrine was passionate about making dream catchers. She made beautiful ones for family and friends, and for the raffle at last summer's Urban Office-hosted picnic in Minneapolis, all of which were gone by the end of the evening. Corrine's beautiful smile and infectious laugh will be missed by her children, mother, brother, sisters, nieces, nephews, cousins and friends. She was preceded in death by her father Roy Taken Care Of, uncle Wendell Leecy, grandparents Frederick Leecy and Bernice Geshick, and nephew Ethan Williams-Taken Care Of. A strong woman With a strong heart to match A beautiful spirit
