THANKS FOR JOINING US!

September 11, 2019

**RESOURCE FAIR: 12:00 - 6:00 PM**

**WARRANT RESOLUTION: 1:00 - 4:00 PM**

**BOTH STATE AND TRIBAL**

**HISTORICAL TRAUMA SESSION: 12:30 - 1:30 PM**

**What is Historical Trauma and Why Is It So  
Important to Understand?**

Get an overview about what historical trauma is and have a better understanding of why it's important to Tribal communities today. Learn about some of the ways the American Indian Resource and Resiliency Team from the University of MN Extension is bringing about education and healing to local communities.

**BOB FRIDAY SESSION: 5:00 - 6:00 PM**

Join us as Bob Friday shares his personal story of recovery. "Just as alcoholism/addiction is a downward process of a fatal disease ending in death, recovery is an upward process leading to a meaningful life. I am excited to share my experience in recovery in hopes that it may be a benefit to others wherever in the process they may be."

A special thank you to Big Woods Transit for providing transportation services to this event. And to Bois Forte and The University of Minnesota Extension for providing the food.
