

Help us better understand

Homelessness

We are surveying people who are currently homeless or doubled-up with friends or family.

We would like to survey people living in any of the following places:

- Temporarily with family or friends because you have nowhere else to go
- A place not meant for human habitation (e.g. car, abandoned building, fish house, tent, etc.)
- Emergency shelter, women's shelter, or other safe house
- Transitional housing

Survey participants will receive \$20 gift card for their participation. This face-to-face survey takes about 30 minutes. Your answers will be anonymous.
