

# Notice to Bois Forte Band Members and Community Members.

2.3.2020

**Everbridge is the official emergency communication tool being utilized by the Bois Forte Tribal Government to communicate quickly to its band members and community members. Band members and community members can sign up to be notified through email, text, phone call, or a combination of the three.**

**What Everbridge is for:** Everbridge is used to communicate information that must get to band members and community members quickly. Examples include: Emergency updates, closures, late starts, power outages, garbage cancellations, etc.

**What Everbridge is not for:** Advertising community events, regular updates, etc.

**Sounds awesome! How do I sign up?** Forms are available at the Bois Forte Tribal Government building in Nett Lake, the Bois Forte Tribal Government building in Vermilion, the Duluth Urban Office, and the Twin Cities Urban Office.

Completed forms can be sent to [echavers@boisforte-nsn.gov](mailto:echavers@boisforte-nsn.gov). Please complete only the contact information for the avenue in which you'd like to be contacted. For example; if you wish to receive only text message notification, you do not have to complete the email portion.

**I have further questions or concerns. Who can I contact?** Please contact the Executive Director, Jenna Lehti, at [jenna.lehti@boisforte-nsn.gov](mailto:jenna.lehti@boisforte-nsn.gov)
