

BOIS FORTE COVID-19 COMMUNITY UPDATE: June 11, 2020

The Bois Forte Tribal Council would like to update you on what is going on at Bois Forte during the COVID-19 pandemic. The Tribal Government is continuing to work with the Senior Management on the development of a plan-of-action on how to safely re-open our facilities. Fortune Bay Resort Casino opened on June 1st and things are going well on that front.

The Tribal Elections went smoothly, and we would like to thank everyone for following safety precautions.

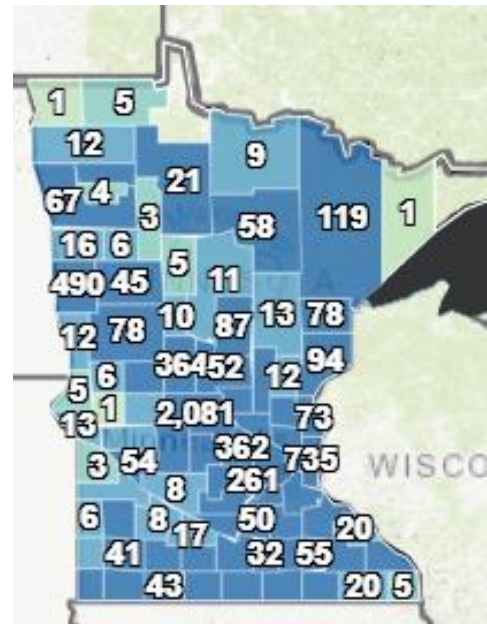

According to the information available from the Minnesota Department of Health (MDH) the numbers of positive COVID-19 cases are growing.
