

# UNDERGROUND PIPELINE ASSOCIATED TRADES TRAINING

## RECRUITMENT DATES & LOCATION

Opportunity is knocking! If you have ever been interested in a construction and/or Union career, then come see us and stop by the recruitment fair.

### ***What to expect at this event:***

You will be able to meet and ask questions directly of the contractors and representatives from the **Laborer's, Operating Engineers, Teamsters** and the **Pipeliners Union Local 798**. **Five Skies Training and Consulting** will also be on hand to accept applications, so please bring a copy of your **driver's license, social security card, and your tribal identification card or proof of eligibility**.

### ***What the training includes:***

This program includes our proprietary Empowerment training, an overview of the industry and OSHA 30 among many other critical skills. After this 5-week program, you will continue for 4 additional weeks of trade specific training to prepare you for a new career.

Training will be conducted in throughout Minnesota beginning this July/August.
