Underground Pipeline Associated Trades Training 2019 Application

Answer the following questions in full, to the best of your ability. Your answers will help us select candidates for an interview.

- 1) Why are you interested in a career in construction?

- 2) Please tell us about any construction related experience you may have.

- 3) What is your understanding of construction unions?

- 4) In the construction industry, you work as a crew and under the supervision of Journey Workers. Working cooperatively and taking direction is essential. Please tell us about an experience you have had working as a crew/team and about your ability to take direction.

- 5) In construction, crews start early and may work long hours often working 12-14 hours a day, 6 days a week for the duration of their project, sometimes followed by periods of lay-off time. Do you see any challenges or limitations you would need to overcome with either of these conditions and explain how you would address them?

- 6) Why are you applying for this opportunity? Please explain your long-term goals and how this training will help you attain those goals.

By signing this application, I hereby attest to the accuracy of the information and my willingness to comply with the training requirements.
