

Bois Forte

TRIBAL GOVERNMENT

March 8, 2018

Dear Band Member:

The Bois Forte Tribal Council is committed to distribute 100% of the payment from the State of Minnesota pursuant to the 1854 Agreement and it will be distributed to Band Members.

This letter confirms that 100% of the funds received for 2018 will be paid out in Per Capita payments to Band members enrolled as of March 31, 2018. Consistent with past practice, the shares of minors will be deposited in the Minor's Trust Accounts.

At this time we do not have the information of how much the payment will be or what date the payment will be made. We do not receive that information or the funds until the end of July.

In the meantime, please keep your address up to date to receive timely mail from the Tribal Government.

Sincerely,
